CygniSoft Inc. values your business!

That's why it's so important for us to find the best match for your staffing need. We know how important it is to minimize the amount of your time and money spent in finding the right employees. We dedicate our time recruiting and screening employees so that you don't have to.

At CygniSoft Inc. we believe in creating a Win-Win-Win situation for our Customers, Consultants, and Company. Our values, principles, strengths, capabilities, and a unique methodical approach has helped us maintain track record of 100% successful and dependable solutions.

We are on a mission to provide Efficient, Effective, and Economic solutions while creating a Win-Win-Win situation for our Customers, Consultants, and Company. We are certain that we will make the difference by making staffing simple. Our mission is guided by principles of Honesty, Integrity, and Passion.

PLACEMENT MANAGEMENT

Providing prompt service in order to staff your needs is a priority for CygniSoft Staffing Services. We have staff in place that is specialized in providing you with the right candidate based upon your needs. We provide staff for the following divisions

We are careful who we place with our client companies and although there is no test for “human nature”, we have found that our process allows us to place qualified, Ready to hire associates on the job for our clients.

Some of the check points we have are:

- Full Interview process with seasoned Human Resource Professionals
- 2 Positive work references or we will not place them
- Background investigations/ clean backgrounds only
- Skill assessments – Web based
- National sex offender check

“We needed to ramp up resources as we expanded into a new geography. CygniSoft Inc. was selected as the sole supplier and not only were they able to provide us with over 15 quality resources within 2 months, but they also consistently delivered and executed above the service levels we expected.” — HealthCare Client

“CygniSoft Inc. Staffing is our #1 supplier in GTA for IT and non-IT. Their service is far ahead of any of our competitors.”— Vice Pres, Human Resources

“The people at CygniSoft Inc. take the time to understand our working environment so they always send the right people for the job.”— Plant Manager, Employees
